### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The recitations of the specific features of the latching system for a convertible top of a motor vehicle in claims 1, 12 and 18 including especially the construction of the receiver disposed proximate a windshield header, the receiver having a keeper, a body molding attached to the convertible top and disposed proximate the windshield header when the convertible top is in an extended position, the body molding including a handle cavity; a latch pin guide portion disposed proximate the body molding, the latch pin having a first end adapted to engage the keeper and a second end disposed opposite the first end; a connecting rod pivotally coupled to the second end of the latch pin at an outboard end and pivotally coupled to a crank at an inboard end; a rotatable pin attached to the crank; and a handle pivotally connected to the rotatable pin is not taught nor is fairly suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
